**Re: Starr Indemnity & Liability Company, Inc.,
a/s/o Bemis Associates, Inc., and Bemis
Associates, Inc. v. C.H. Robinson Worldwide, Inc.
Civil Action No. 1:21-cv-6595 (RA)(JLC)**

Dear Judge Abrams:

We represent defendant C.H. Robinson Worldwide, Inc. ("CHR") and write to request that the October 22, 2021 deadline to submit a proposed case management plan and scheduling order, and the October 29, 2021 initial status conference in this matter, be adjourned for forty-five (45) days to December 6 and 13, 2021, respectively.

The reason for the request is that CHR is filing Third-Party Complaints against the involved motor carriers Onstar Services, Inc. d/b/a JetEx Air Express, Inc. and Complete Transport Systems, LLC. The requested adjournments would afford the third-party defendants time to appear and participate in the case management plan and initial conference.

CHR has not made a previous request to extend the above dates and plaintiffs' counsel consent to the requested extensions.
